

OUTREACH – A CRY FOR HELP: LENT / EASTER COLLECTION

Our hearts go out to all those suffering unimaginable losses and devastation due to the wildfires in Los Angeles County. We at Prince of Peace are committed to supporting the needs of each of the Episcopal communities impacted by this tragedy.

St. Matthew’s, Pacific Palisades was significantly damaged by the Palisades Fire. The school portion of the campus and three rectories (clergy residences) were destroyed. The church sustained some damage, and the congregation temporarily worships at St. Augustine By-the-Sea, Santa Monica, until they can return to their home church in the Palisades.

Saint Mark’s, Altadena, lost its beautiful church and entire school campus in the Eaton Fire. Their long-term worship home is now at St. Barnabas in Eagle Rock. During the Peace lasting at least 10 minutes, Rev. Carri shouts out, “St. Mark’s! The lion that can’t be tamed!” More powerfully, “We will not be defeated – we are still strong and prepared to rise powerfully”.

Please give generously during our Lenten/Easter ingathering (**March 5-April 20, 2025**). All donations will go to St. Matthews, Pacific Palisades and Saint Mark’s, Altadena.

You may donate via cash/checks made out to **Prince of Peace** with **FIRE RELIEF** in memo line. You also may **give electronically** by clicking this link:
